

rotowash

Clean multiple floor coverings with the same machine; it's that easy!

Scrub-Wash-Dry

CONTRACT CLEANERS
Rotowash understands that your business needs the ability to provide efficient, effective, high quality results to your clients.

HOSPITAL & AGED CARE FACILITIES
Arrange a FREE demonstration to see how Rotowash can raise the standard in your health care facility.

HOTELS & MOTELS
First impressions are vital. Request a demo and see why Rotowash can clean all floor types from your suites to your kitchens. Rotowash's unique design lifts your carpet pile and removes trapped soiling that creates those bad odours.

AIRPORTS
Airports are high traffic and constantly being soiled. Rotowash can provide a unique cleaning solution for all floor surfaces.

RETAIL
For clean presentation in high traffic shopping centres, car showrooms, workshop service centres, offices building; think fast, efficient, easy to use Rotowash.

HOSPITALITY & CATERING VENUES
First class appearance and hygiene are vital to success in these industries.

FLOOR TYPES

Hard Floors	Vinyl/Lino
	Terrazzo/Marble
	Concrete/Stone
	Profiled Rubber
	Tiles
	Safety Floors
Polished	Resin Floors
	Wooden Floors
	Sports Floors
	Vinyl/Lino
Carpet	Terrazzo/Marble
	Rubber Floors
	Wood Floors
	Oiled Woodfloors
	Industrial
	Commercial
	Domestics
	Metal Floors
	Entrance Matting

SPORTS & GYMNASIUM
Blood, sweat and tears. A clean and healthy environment is all important with such high traffic and constant soiling.

ENTERTAINMENT
For stadiums, exhibition areas, pubs, clubs, and function centres it's vital to provide clean, well presented areas.

AT HOME
Inside & Out - Carpets, tiles, stone floors, and patios, wooden decking, drive ways and garages. A Rotowash provides effortless cleaning and as easy to use as a vacuum cleaner.

ESCALATORS & TRAVELATORS

MANUFACTURING & FOOD PROCESSING
These industries are scrutinised for regulatory compliance requiring the highest hygienic standards. Rotowash provides an efficient and highly effective solution to maintaining the standards required.

EDUCATION FACILITIES
Cleanliness, health and cleaning-speed are your school or university's top priorities, our machines will help you achieve these goals.

Rotowash

The factory

Rotowash is amongst the pioneers in the design and manufacture of compact scrubberdryer floorcleaning machines specialized in twin cylindrical counter rotating brush technology.

Rotowash floorcleaning machines are being successfully employed internationally for more than 38 years. Rotowash machines are designed and made in Austria using components of the highest quality. The management and production systems undergo frequent audits by British Standard Institute - BSI - according to ISO 9001. Rotowash products are frequently audited and approved by OVE, Austria and BSI and conform to the high standards of design, quality and safety set by CE - Conformity European.

Our experience and expertise developed over the past four decades as a major manufacturer and supplier, enables us to be the catalyst to help you identify and assess your floor maintenance needs.

Rotowash - The Original

The clever method for sustainable efficiency in floorcare

High standard of floor hygiene achieved by the unique Rotowash cleaning action of twin cylindrical contra-rotating brushes for all types of hard floors and carpets.

Large floor cleaning capacity. Up to **90% savings on water and chemical costs.**

Quality Made in Austria with reliable parts supply. Eco-friendly manufactured, recyclable.

Escalating to new heights ... and getting into the grooves!

The Rotowash specialist machine model R45B Escalator achieves a high quality deep clean on escalators treads and travelators.

In one pass the R45B Escalator washes, scrubs, collects the soil, retrieves the water immediately, and dries.

Additionally, in a matter of seconds the R45B Escalator can be switched to standard floor cleaning mode.

R45B ESC

The Side Brush comes as a standard on the R45B ESC.
