Clean multiple floor coverings with the same machine; it's that easy!

**CONTRACT CLEANERS**
Rotowash understands that your business needs the ability to provide efficient, effective, high quality results to your clients.

**HOTELS & MOTELS**
First impressions are vital. Request a demo and see why Rotowash can clean all floor types from your suites to your kitchens. Rotowash’s unique design lifts your carpet pile and removes trapped soiling that creates those bad odours.

**RETAIL**
For clean presentation in high traffic shopping centres, car showrooms, workshop service centres, offices building; think fast, efficient, easy to use Rotowash.

**HOSPITAL & AGED CARE FACILITIES**
Arrange a FREE demonstration to see how Rotowash can raise the standard in your health care facility.

**AIRPORTS**
Airports are high traffic and constantly being soiled. Rotowash can provide a unique cleaning solution for all floor surfaces.

**HOSPITALITY & CATERING VENUES**
First class appearance and hygiene are vital to success in these industries.

**FLOOR TYPES**
- Vinyl/Lino
- Terrazzo/Marble
- Concrete/Stone
- Profiled Rubber
- Tiles
- Safety Floors
- Resin Floors
- Wooden Floors
- Sports Floors
- Rubber Floors
- Wood Floors
- Oiled Woodfloors
- Industrial
- Commercial
- Domestics
- Metal Floors
- Entrance Matting

**SPORTS & GYMNASIUM**
Blood, sweat and tears. A clean and healthy environment is all important with such high traffic and constant soiling.

**AT HOME**
Inside & Out - Carpets, tiles, stone floors, and patios, wooden decking, drive ways and garages. A Rotowash provides effortless cleaning and as easy to use as a vacuum cleaner.

**MANUFACTURING & FOOD PROCESSING**
These industries are scrutinised for regulatory compliance requiring the highest hygienic standards. Rotowash provides an efficient and highly effective solution to maintaining the standards required.

**EDUCATION FACILITIES**
Cleanliness, health and cleaning-speed are your school or university’s top priorities, our machines will help you achieve these goals.

**ENTERTAINMENT**
For stadiums, exhibition areas, pubs, clubs, and function centres it’s vital to provide clean, well presented areas.

**ESCALATORS & TRAVELATORS**
Fast, simple, safe and highly effective; see the results for yourself with a FREE demo at your site now. Easy to use for men or women.
Rotowash is amongst the pioneers in the design and manufacture of compact scrubberdryer floorcleaning machines specialized in twin cylindrical counter rotating brush technology.

Rotowash floorcleaning machines are being successfully employed internationally for more than 38 years. Rotowash machines are designed and made in Austria using components of the highest quality. The management and production systems undergo frequent audits by British Standard Institute - BSI – according to ISO 9001. Rotowash products are frequently audited and approved by OVE, Austria and BSI and conform to the high standards of design, quality and safety set by CE – Conformity European.

Our experience and expertise developed over the past four decades as a major manufacturer and supplier, enables us to be the catalyst to help you identify and assess your floor maintenance needs.

High standard of floor hygiene achieved by the unique Rotowash cleaning action of twin cylindrical contra-rotating brushes for all types of hard floors and carpets.

Large floor cleaning capacity. Up to 90% savings on water and chemical costs.

Quality Made in Austria with reliable parts supply. Eco-friendly manufactured, recyclable.
Rotowash
One machine
for multiple applications
Rotowash Plus

Featuring integrated electrical spraying unit with accurate water distribution on demand and precise spray jet ahead of the front brush.

A Universal safety handle for left and right hand operation
B Easy grip water release control
C Pivoting quick release cable holder
D 10m mains cable
E Removable slim line clean water tank 7ltr
F See through water hose with snap on/off easy connection
H Waste water tray lid with water level indicator
J Electrical sprayer
M Brush pressure control knob
N Spring loaded clip for quick removal of handle
P Heavy duty side and front protector bumpers
R Easy to fit and remove brush axles
S Built-in brush location plate for simple and fast fitting of brushes
T Retractable transport rollers suspend load on brushes while not in operation
U Cylindrical brushes, easy to remove without using any tools. Available in multiple colours for hygiene control
V Easily removable waste water tray
W Safety thermal cut-out control
X Specially coated aluminium body housing for high mechanical resistance
Y Long life filter unit
Z Self retractable spray jet nozzle

Rotowash Escalator

Escalating to new heights ... and getting into the grooves!
The Rotowash specialist machine model R45B Escalator achieves a high quality deep clean on escalators treads and travelators.

In one pass the R45B Escalator washes, scrubs, collects the soil, retrieves the water immediately, and dries.

Additionally, in a matter of seconds the R45B Escalator can be switched to standard floor cleaning mode.

The Side Brush comes as a standard on the R45B ESC.
